

**The day that Albert  
Einstein feared has  
finally arrived!**

Having coffee with friends.

# A day at the beach.

Cheering on your team.

Having dinner out with friends.

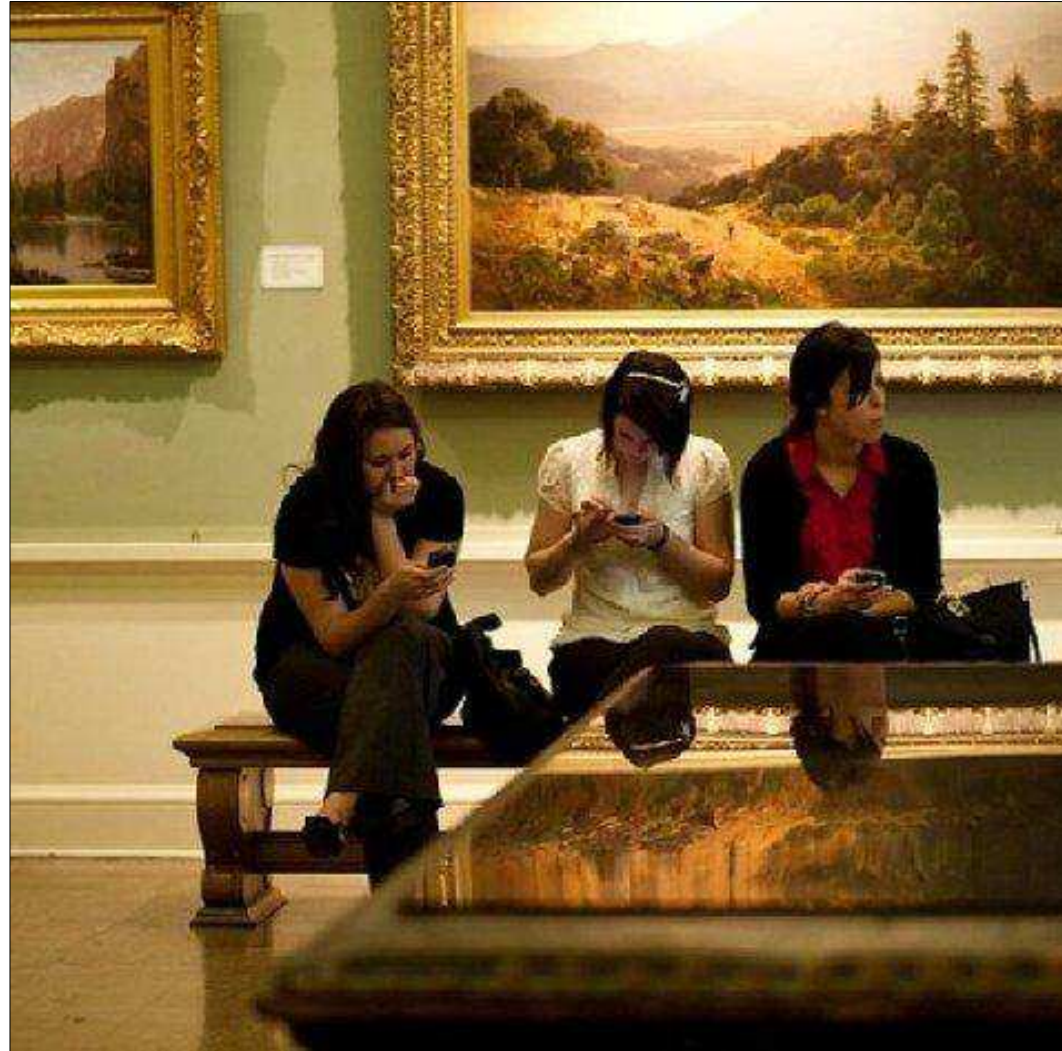

Out on an intimate date.

Having a conversation with your best friend.

# A visit to the museum.

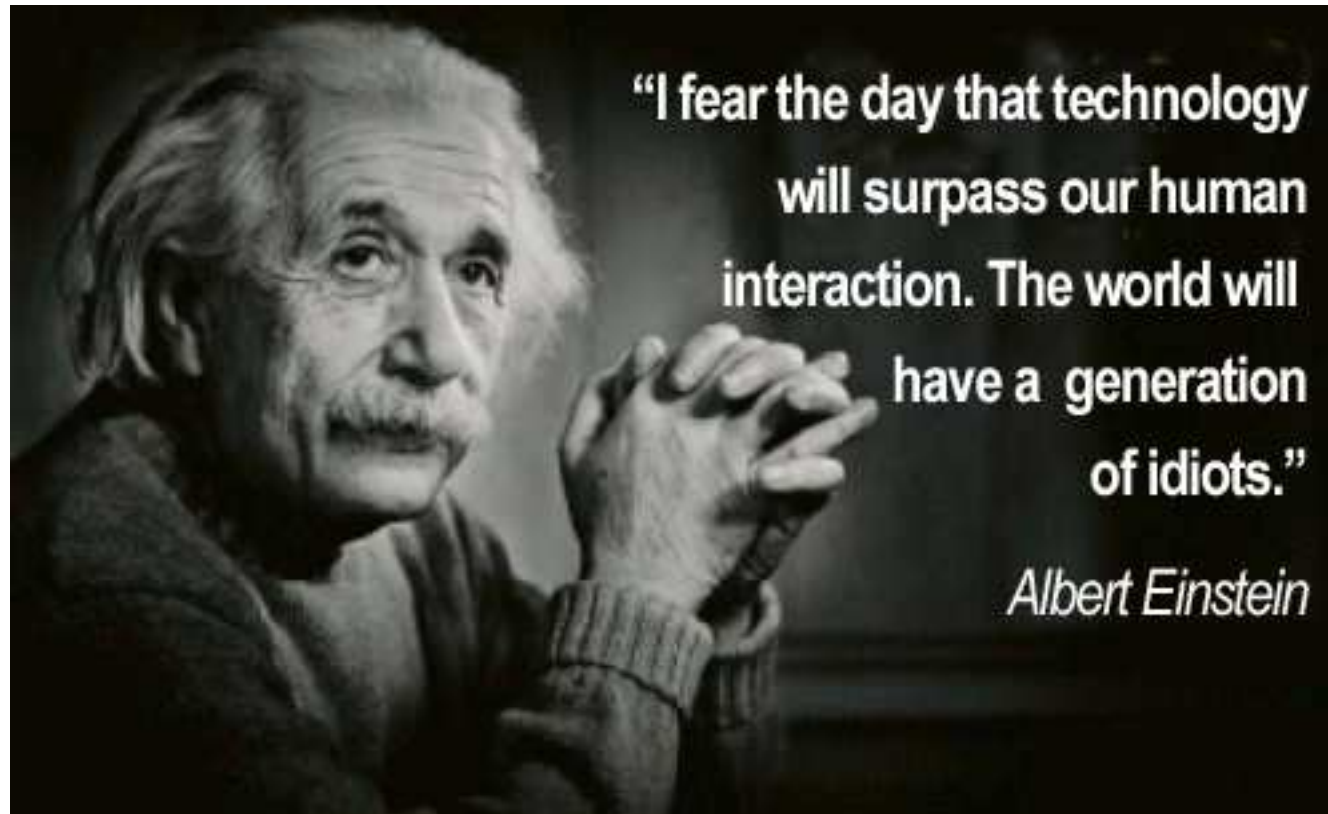

Enjoying the sights.

# That day has arrived!

"I fear the day that technology  
will surpass our human  
interaction. The world will  
have a generation  
of idiots."

*Albert Einstein*
